cc: Grand Jury Foreperson  
   Members, Board of Supervisors  
   Frank Kim, County Executive Officer
Orange County Sheriff’s Department  
Response to Findings and Recommendations  
2017-2018 Orange County Grand Jury Report  
“Can the Emergency Operations Center Survive a Catastrophic Event?”

FINDINGS

F.1  
The only access road to the Emergency Operations Center is narrow, with a number of dangerous winding turns, imperiling safe vehicle passage.

Response:  Partially agrees with the finding.

While the main access road to the Emergency Operations Center (EOC) is narrow with winding turns, there have been no safety issues that have resulted during the numerous times the EOC has been utilized for drills or activated for emergency response.

F.2  
The only alternative exit is an unpaved jeep trail that is narrower and more dangerous than the main access road and is unsuitable for vehicle passage.

Response:  Partially agrees with the finding.

The alternative EOC exit is unsuitable for certain vehicles. The Sheriff’s Department has several vehicles that would be able to utilize the alternate exit if necessary.

F.3  
The failure to properly maintain the area around the Emergency Operations Center and eradicate the overgrowth of weeds impairs visibility and presents a major fire hazard.

Response: Disagrees with finding.

The Sheriff’s Department currently contracts with a private vendor for weed abatement. The scope of the current contract is to clear brush 15 feet along both sides of the access road to ensure the access road remains clear. Additionally the scope includes brush clearing for 100 feet around the EOC facility and 50 feet around the helicopter pad. Attached, for reference, is the weed abatement contract and the scope of work.

F.4  
The Orange County Sheriff’s Department has been unable to fulfill the County’s responsibility to maintain the Emergency Operations Center’s access road, including weed abatement and road repairs.
Response: Disagrees with finding.

The weed abatement vendor performs their work twice per year. For example, in 2017 services were performed in April and December.

F.5
Office equipment, bookcases, and file cabinets are not properly secured and present a risk of injury and facility damage in a major earthquake.

Response: Disagrees with finding.

Office equipment, bookcases and file cabinets are properly secured.

RECOMMENDATIONS:

R.1
By September 1, 2018, the County should consider assigning responsibility for maintaining the land around the Emergency Operations Center, as well as the road to the facility, to the Orange County Public Works Department, which has staff with expertise in this field. (F1, F3, F4)

Response: This recommendation will not be implemented as it is not warranted.

The Sheriff’s Department has responsibility for the current contract for weed abatement. Vendors for the Sheriff’s Department receive an elevated background check due to the sensitive nature of law enforcement facilities. There have been no issues raised regarding the maintenance of the road.

R.2.
By December 1, 2018, the County should have plans in place to repair and widen the current access road, enhance and add turnouts, or add a new access road to provide safe travel to and from the Emergency Operations Center. (F1)

Response: This recommendation will not be implemented as it is not reasonable.

Funding is not available to implement this recommendation.

R.3.
By December 1, 2018, the County of Orange should have a contract in place to ensure regular weed abatement around the Emergency Operations Center and along Loma Ridge Road. (F3, F4)

Response: This recommendation has already been implemented.
The recommended contract already exists. A contract for weed abatement has been in place several years prior to the issuance of the 2017-18 Grand Jury Report.

R.4.
By January 1, 2019, the County of Orange and the Sheriff’s Department should initiate a study regarding the ability to use the Loma Ridge Jeep Trail as an emergency exit route from the Emergency Operations Center. (F2)

Response: This recommendation will require further analysis.

Department staff will determine the necessity of initiating a study to utilize the Loma Ridge Jeep Trail.

R.5.
By September 1, 2018, the Orange County Sheriff’s Department should ensure that all office furniture and equipment is properly secured to prevent damage or personal injury in a major earthquake. (F5)

Response: This recommendation will not be implemented as it is not warranted.

The Orange County Sheriff’s Department (OCSD) disagrees with the Grand Jury’s finding that office furniture and equipment was not properly secured at the time of the Emergency Operations Center Tour. From the vantage point that is shown in the photo included in the report, “Can the Emergency Operations Center Survive a Catastrophic Event?” the earthquake strapping is not visible. The Grand Jury members did not request a ladder to validate that the bookcases were strapped. Attached please find photos documenting that the bookcases are indeed strapped. Please note that the strapping has been painted to match the walls of the facility. Additionally, the entire Emergency Operations Center has recently undergone facility enhancements which have included the re-inspection for proper earthquake securing of office furniture and equipment.

There will be no additional updates on this item as we believe the issue has been adequately addressed.

G. **Warranty:** Contractor expressly warrants that the goods/services covered by this Contract are 1) free of liens or encumbrances, 2) merchantable and good for the ordinary purposes for which they are used, and 3) fit for the particular purpose for which they are intended. Acceptance of this order shall constitute an agreement upon Contractor's part to indemnify, defend and hold County and its indemnities as identified in paragraph "P" below, harmless from liability, loss, damage and expense, including reasonable counsel fees, incurred or sustained by County by reason of the failure of the goods/services to conform to such warranties, faulty work performance, negligent or unlawful acts, and non-compliance with any applicable state or federal codes, ordinances, orders, or statutes, including the Occupational Safety and Health Act (OSHA) and the California Industrial Safety Act. Such remedies shall be in addition to any other remedies provided by law.

H. **Patent/Copyright Materials/Proprietary Infringement:** Unless otherwise expressly provided in this Contract, Contractor shall be solely responsible for clearing the right to use any patented or copyrighted materials in the performance of this Contract. I. **Assignment or Sub-contracting:** The terms, covenants, and conditions contained herein shall apply to and bind the heirs, successors, executors, administrators and assigns of the Parties. Furthermore, neither the performance of this Contract nor any portion thereof may be assigned or sub-contracted by Contractor without the express written consent of County. Any attempt by Contractor to assign or sub-contract the performance or any portion thereof of this Contract without the express written consent of County shall be invalid and shall constitute a breach of this Contract.

J. **Non-Discrimination:** In the performance of this Contract, Contractor agrees that it will comply with the requirements of Section 1735 of the California Labor Code and not engage nor permit any subcontractors to engage in discrimination in employment of persons because of the race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, or sex of such persons. Contractor acknowledges that a violation of this provision shall subject Contractor to all the penalties imposed for a violation of anti-discrimination law or regulation, including but not limited to, Section 1720 et seq. of the California Labor Code.

K. **Termination:** In addition to any other remedies or rights it may have by law, County has the right to terminate this Contract without penalty immediately with cause or after thirty (30) days' written notice without cause, unless otherwise specified. Cause shall be defined as any breach of Contract, any misrepresentation or fraud on the part of the Contractor. Exercise by County of its right to terminate the Contract shall relieve County of all further obligation.

L. **Consent to Breach Not Waiver:** No term or provision of this Contract shall be deemed waived and no breach excused, unless such waiver or consent shall be in writing and signed by the Party claimed to have waived or consented. Any consent by any Party to, or waiver of, a breach by the other, whether express or implied, shall not constitute consent to, waiver of, or excuse for any other different or subsequent breach.

M. **Remedies Not Exclusive:** The remedies for breach set forth in this Contract are cumulative as to one another and as to any other provided by law, rather than exclusive; and the expression of certain remedies in this Contract does not preclude resort by either Party to any other remedies provided by law.

N. **Independent Contractor:** Contractor shall be considered an independent Contractor and neither Contractor, its employees nor anyone working under Contractor shall be considered an agent or an employee of County. Neither Contractor, its employees nor anyone working under Contractor, shall qualify for workers' compensation or other fringe benefits of any kind through County.

Insurance Provision: Prior to the provision of services under this Contract, Contractor agrees to purchase all required insurance at Contractor’s expense and to deposit with the County Certificates of Insurance, including all endorsements required herein, necessary to satisfy the County that the insurance provisions of this Contract have been complied with and to keep such insurance coverage and the certificates therefore on deposit with the County during the entire term of this Contract. In addition, all subcontractors performing work on behalf of Contractor pursuant to this Contract shall obtain insurance subject to the same terms and conditions as set forth herein for Contractor.

All self-insured retentions (SIRs) and deductibles shall be clearly stated on the Certificate of Insurance. If no SIRs or deductibles apply, indicate this on the Certificate of Insurance with a zero (0) by the appropriate line of coverage. Any self-insured retention (SIR) or deductible in an amount in excess of $25,000 ($5,000 for automobile liability), shall specifically be approved by the County Executive Office (CEO)/Office of Risk Management.

If Contractor fails to maintain insurance acceptable to the County for the full term of this Contract, County may terminate this Contract.

Failure to cure such breach within sixty (60) calendar days of notice from County shall constitute grounds for termination of the Contract.
