SUBJECT: Extension Request for Response to Orange County Grand Jury Report, "Drones: Know Before You Fly"

Dear Judge Margines:

As allowed for in Penal Code Section 933.05(b)(3), the City of Laguna Woods respectfully requests a six month extension from the date of publication to respond to the Orange County Grand Jury Report, "Drones: Know Before You Fly." During that time, the City intends to engage in additional public outreach and analysis to better understand what local concerns (if any) exist regarding drone use. The City also intends to review applicable laws and dialogue with law enforcement and fire agencies to specifically consider impacts on service delivery.

If you have any questions, or would like additional information, please do not hesitate to contact me at (949) 639-0525 or cmacon@cityoflagunawoods.org.

Sincerely,

Christopher Macon
City Manager
