Hon. Kirk H. Nakamura
Presiding Judge of the Orange County Superior Court
700 Civic Center Drive West
Santa Ana, CA 92701

Dear Honorable Nakamura,

Our office serves as City Attorneys for the City of Placentia (“City”). This letter is in response to the Orange County Grand Jury report, **“Electric Vehicles Are Here-Is Orange County All Charged Up?”** the City received in February 2020. The City has been working on implementing the Grand Jury’s findings and recommendations but needs additional time in order to complete this large task. Pursuant to Penal Code 933.05 (b)(3) the City seeks an extension of six months because the recommendations provided by the Grand Jury require further analysis. Thus far the City has implemented some of the findings and recommendations, but specifically still needs to (1) create a streamlined permit process for single family residences, multi-family residences and businesses to obtain permits to install EVCS that includes an easy to use checklist as well as (2) describe the streamlined EV charging installation permit application process and have the checklists and forms available on their website.

Please feel free to contact me should you have any questions.

Sincerely,

Joseph M. Lambert
Director of Development Services
